Motivation for serving on the Board
<p>I firmly believe that as a strong unified organisation of European National Federations, we can achieve a lot for the benefit of all of us. Within the EEF, our cooperation has become closer and we have been successful in tackling problems we have in common. We are on a good way to strengthen our position and gain more importance. I would like to continue to contribute to this development as an EEF Board Member; that way I would also be able to serve my full term as FEI Deputy Chair of the EEF Group.</p> <p>As you can see from my CV, I have spent some time abroad where I worked for a small NF. I can think outside the box, I am perfectly aware of the needs of big and small NFs and wish to ensure their voice is heard.</p> <p>Over the years, I have gained a lot of valuable experience in working groups in the EEF and in the FEI. In the EEF Strategic Planning Working Group that is chaired by me, we are addressing the goals, necessities and possible ways to bring forward our common European organisation. The positions I currently hold as Member of the EEF Board and Deputy of the EEF 1st Vice-</p>

President in the FEI Board have given me a deeper insight of what is going on behind the scenes in the world of international sport. I wish to give back and use my strong network and long experience in the FEI for the benefit of EEF and its members.
