Motivation for serving on the Board
<p>I am convinced that my many years of national and international experience in dressage as an Olympic rider, trainer, breeder, international 5*judge, and organizer allow me to understand and know all aspects of the sport.</p> <p>Through these various activities I have established excellent international contacts with trainers, riders, judges and organizers, as well as the equestrian press.</p> <p>For me the welfare of the horse always comes first!</p> <p>The main task of the upcoming years will be to secure dressage as an Olympic and Paralympic sport and to modernize it without sacrificing the traditional values and horse welfare.</p> <p>Moreover, enormous efforts and financial means are needed to promote the international spread of our sport and support developing countries in their progress.</p> <p>I already gained experience as a Member of the FEI Solidarity Committee and Member of the FEI Dressage Force, as President of the AUT NF and within my work for international cooperation with developing countries as Chairman of the Central European Dressage Working</p>

Group.

In order to achieve all these goals, I would be willing to contribute my time as well as my international expertise in business and politics.

As an independent personality who does not pursue any of my own interests in this capacity, I will act as a credible ambassador at various levels to advance our sport.

I am aware of and understand the challenges that the Dressage discipline faces.

I am well prepared and positioned as an independent and experienced ambassador to contribute and lead the critical and necessary work to be done in cooperation with all persons, stakeholders and institutions sharing the desire to promote our sport internationally.
