MOTIVATION AND VISION
Motivation for serving at EEF
Equestrian sport has been a defining part of my entire life. My family, personal life, and professional career are all deeply intertwined with horses. Over a span of 16 years (2010–2026), as a Board Member of the Hungarian Equestrian Federation, I was responsible for international relations and participated in the work of the European Equestrian Federation (EEF) with great affinity. Since the very beginning—with perhaps only one or two exceptions—I have actively attended the General Assemblies. I have taken an active role in implementing numerous programs in Hungary, including the Brotherhood programme and the EEF Nations Cup series.
Vision for the EEF:
I consider it of utmost importance to provide the most effective European representation for equestrian sports and horse related activities (such as breeding and youth development) within professional and political organizations. Furthermore, I am deeply committed to programs that serve the long-term, sustainable development of equestrian sports.

PROFESSIONAL BACKGROUND
Sports Career / Equestrian Background
I participated in three disciplines: vaulting up to FEI championships, Showjumping national and small international level, eventing small national level. My wife and 3 out of 5 children also are competing/competed in showjumping. Our family has a small stud, breeding HSH showjumpers. We are the proud breeder and owner of JB Koronaőr, multiple EEF Nation's Cup double clear participant.
Professional career/Work experience
By profession, I work as an equine practitioner in Hungary, focus on reproduction and orthopedics. I regularly officiate as FEI OV in different positions (VD, Testing Vet, Measuring Vet, Examining Vet). I was Board Member of our NF (2010-2026) and president of HSH Studbook Association (2010-2026). I was one of the founders of the National Riding Center Foundation (2008), that managed to save the iconic equestrian facility in the downtown of Budapest, from privatization and change of function (NF headquarter, CSIO showground now.) For 8 years I was the Chair of the Supervisory Board of the National Stud (and Agricultural Company) of Mezőhegyes. Currently I'm a member of the EEF Veterinary Working Group.
